Ides Of March Group Exhibition

131 A Gallery, would like to thank everyone who has supported our March Group exhibition so far. 'Ides Of March' features paintings by ***Asha Zero, Kirsten Beets, Paul Senyol, Alex Emsley, Austen Gordon, MJ Lourens, Jaco Benade, Pippa Pereira and Claude Chandler***, we also have some new works up in the [Annex](#).

The online catalogue will be live until the 7th of April and the works will be up on the walls in the gallery from the 15th of March 2025 until the 7th of April so please pop in to view the show if you haven't had a chance to do so yet.

View the online exhibition by clicking on the links below, If you see an artwork that you would like to purchase please click on the button below the work on the online catalogue and we'll send through the invoice asap to secure the work for you. NB all works are sold on a first come first serve basis.

Please keep an eye out for our newsletters and instagram account to be kept in the loop and feel free to share our newsletter with anyone else you think might be interested
